Transfer of Control of Globalstar USA, LLC and
Globalstar Caribbean Ltd. from Vodafone Americas Asia Inc.
To Globalstar Corporation

Dear Ms. Dortch:

For association with the above-referenced files, I have enclosed an organizational chart of the ownership interests in the transferee Globalstar Corporation.

The information in the chart has been previously reported to the Commission in the initial applications and subsequent responses to Staff inquiries. However, please note the following minor differences between the information in the chart and in the information previously provided to the Commission:

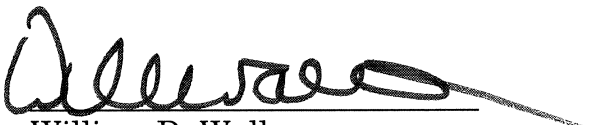
- The 11% limited partnership interest in Globalstar, L.P. ("GLP"), held by Loral Space & Communications Ltd. ("Loral Space"), and reported in Exhibit E "Ownership Information" to the applications, is held through Loral Space's wholly-owned subsidiary LGP Bermuda Ltd.

- The 2.3% limited partnership interest in GLP held by Hyundai Corporation, and reported in Exhibit E "Ownership Information" to the applications, is split between Hyundai Corporation (.28%) and its subsidiary Hynix Semiconductor, Inc. (formerly known as Hyundai Electronics Industries Co. Ltd.) (1.94%).

- The organizational chart reflects ownership percentages to hundredths of a percent, and the previously reported information generally rounded percentages to tenths of a percent. There have been some minor changes in the percentages as reflected on the chart; these percentages are current to date.

If there are any questions regarding the chart, please call either William F. Adler of Globalstar, L.P., or the undersigned.

Respectfully submitted,



William D. Wallace
