REPORT AND ORDER
(Proceeding Terminated)

Adopted: June 26, 2002

Released: July 5, 2002

By the Assistant Chief, Audio Division:

1. The Commission considers herein the Notice of Proposed Rule Making (“Notice”), 16 FCC Rcd 13272 (2001), issued in response to a petition filed on behalf of Katherine Pyeatt (“petitioner) proposing the allotment of FM Channel 292A to George West, Texas, as that community’s third local aural transmission service. Petitioner filed comments reiterating her intention to apply for Channel 292A if it is allotted to George West, as requested. No other comments were received.

2. In view of the interest expressed in providing an additional local aural transmission service to George West, Texas, we will allot Channel 292A to that community, as requested.

3. As stated in the Notice, Channel 292A can be allotted to George West, in conformity with the minimum distance separation requirements of Section 73.207(b)(1) of the Commission’s Rules at a restricted transmitter site located at least 12.7 kilometers (7.9 miles) west of the community, utilizing reference coordinates 28-20-33 NL and 98-14-45 WL. Additionally, as George West is located within 320 kilometers (199 miles) of the U.S.-Mexico border, concurrence of the Mexican government to the proposed allotment of Channel 292A at that community has been requested, but not yet received. Rather than delay the opportunity to file an application for this allotment, we will allot Channel 292A at George West at this time. However, if a construction permit is granted prior to the receipt of formal concurrence by the Mexican government, the construction permit will include the following condition: “Operation with the facilities specified herein is subject to modification, suspension, or termination without right to hearing, if found by the Commission to be necessary in order to conform to the 1992 USA-Mexico FM Broadcast Agreement, or if specifically objected to by Mexico.”

4. Accordingly, pursuant to the authority contained in Sections 4(i), 5(c)(1), 303(g) and (r) and 307(b) of the Communications Act of 1934, as amended, and Sections 0.61, 0.204(b) and 0.283 of the Commission's Rules, IT IS ORDERED, That effective August 19, 2002, the FM Table of Allotments, Section 73.202(b) of the Commission's Rules, under Texas, IS AMENDED, to read as follows:

<u>City</u>	<u>Channel No.</u>
George West, Texas	228C3, 265A, 292A

5. IT IS FURTHER ORDERED, That this proceeding IS TERMINATED.

6. A filing window for Channel 292A at George West, Texas, will not be opened at this time. Instead, the issue of opening this allotment for auction will be addressed by the Commission in a subsequent Order.

7. For further information concerning the above, contact Nancy Joyner, Media Bureau, (202) 418-2180. Questions related to the window application filing process for Channel 292A at George West, Texas, should be addressed to the Audio Division, Media Bureau, (202) 418-2700.
