Applicant: TXU Communications Telecom Services Company and Fort Bend Long Distance Company d/b/a TXU Communications Company

On July 31, 2002, TXU Communications Telecom Services Company and Fort Bend Long Distance Company d/b/a TXU Communications Company (TXU or Applicant) located at P.O. The application indicates that TXU seeks authority to discontinue providing local exchange service operations in specified markets in Texas including end user access line service and interstate switched access services provided to interexchange carriers. All of the end user customers are currently served by resale of wholesale local exchange service provided by Southwestern Bell Telephone Company. The application states that on July 31, 2002, TXU provided written customer notice. Sample customer notice letters attached to the application contained the language required by Commission rules.² The letters indicated various termination dates in September for end user customers and a termination date of September 16, 2002 for the interexchange carrier customers. The Application and the letters sent to end user customers indicates that all such customers will be seamlessly transitioned to SWBT
