NOTICE OF REMOVAL OF DOMESTIC SECTION 214 APPLICATION FROM STREAMLINED TREATMENT

The application listed in this notice has been removed from streamlined treatment pursuant to the Commission's streamlined procedures for domestic section 214 transfer of control applications.¹ Section 63.03(c)(5) of the Commission's rules provides that at any time after an application is filed, the Commission, acting through the Chief of the Wireline Competition Bureau, may notify an applicant that its application is being removed from streamlined processing, where the Commission "determines that the application requires further analysis to determine whether a proposed transfer of control would serve the public interest."²

On August 27, 2002, the Commission released a public notice accepting for streamlined processing a domestic section 214 application involving the acquisition of assets of One Call Communications, Inc. by OCMC, Inc. On September 23, 2002, the Commission released a Notice of Apparent Liability for Forfeiture involving "One Call Communications, Inc. d/b/a Opticom."³ Because the Commission's enforcement proceeding involves issues that may impact the Commission's public interest finding with respect to this pending application, the application is being removed from streamlined processing. Final action on the application should be expected no later than 180 days from public notice that the application was accepted for filing.⁴
