**NOTICE OF PROPOSED RULE MAKING**

**Adopted: January 17, 2001**

**Released: January 18, 2002**

Comment Date: March 11, 2002  
Reply Comment Date: March 26, 2002

By the Chief, Video Services Division:

1. The Commission has before it a petition for rule making filed by Smoky Hills Public Television ("Smoky Hills"), licensee of noncommercial educational station KSWK-TV, NTSC channel \*3, Lakin, Kansas. Smoky Hills requests the substitution of DTV channel \*8 for station KSWK-TV's assigned DTV channel \*23.

2. Smoky Hills states that the adoption of its channel substitution proposal will permit station KSWK-TV to preserve its limited resources. It claims that the operation of DTV channel \*8 is less susceptible to terrain and vegetation blockage, and would allow Smoky Hills to replicate its existing coverage area with much lower electrical costs. Smoky Hills submits that the operation of DTV channel \*8 would result in utility costs of only \$2,160 per month, while the operation of DTV channel \*23 would result in a monthly electrical cost of \$22,032. Smoky Hills contends that the savings of \$235,000 a year is significant to a public broadcaster such as itself, especially considering that the DTV transition will last at least until 2006 during which time dual analog and digital operation will be maintained.

3. We believe Smoky Hills' proposal warrants consideration. DTV Channel \*8 can be substituted for DTV Channel \*23 at Lakin, as proposed, in compliance with the principle community coverage requirements of Section 73.625(a) at coordinates (37-49-38 N. and 101-06-35 W.). In addition, we find that this channel change is acceptable under the 2 percent criterion for de minimis impact that is applied in evaluating requests for modification of initial DTV allotments under Section 73.623(c)(2). We propose to substitute DTV Channel \*8 for DTV Channel \*23 for station KSWK-DT at Lakin with the following specifications:

State & City	DTV Channel	DTV power (kW)	Antenna HAAT (m)
KS Lakin	*8	100	141

4. Accordingly, we seek comments on the proposed amendment of the DTV Table of Allotments, Section 73.622(b) of the Commission's Rules, for the community listed below, to read as follows:

<u>City</u>	<u>Present</u>	<u>Channel No.</u> <u>Proposed</u>
Lakin, Kansas	*23	*8

5. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

6. Interested parties may file comments on or before March 11, 2002, and reply comments on or before March 26, 2002, and are advised to read the Appendix for the proper procedures. Comments should be filed with the Secretary, Federal Communications Commission, Washington, D.C. 20554. Additionally, a copy of such comments should be served on the petitioner, or its counsel or consultant, as follows:

7. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to rule making proceedings to amend the TV Table of Allotments, Section 73.606(b) and 73.622(b) of the Commission's Rules. See Certification That Sections 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202(b), 73.504 and 73.606(b) of the Commission's Rules, 46 FR 11549, February 9, 1981. The Regulatory Flexibility Act of 1980 would also not apply to rule making proceedings to amend the DTV Table of Allotments, Section 73.622(b) of the Commission's Rules.

8. For further information concerning this proceeding, contact Pam Blumenthal, Mass Media Bureau, (202) 418-1600. For purposes of this restricted notice and comment rule making proceeding, members of the public are advised that no ex parte presentations are permitted from the time the Commission adopts a Notice of Proposed Rule Making until the proceeding has been decided and such

decision is no longer subject to reconsideration by the Commission or review by any court. An ex parte presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or a summary of any new oral information shall be served by the person making the presentation upon the other parties to the proceeding unless the Commission specifically waives this service requirement. Any comment which has not been served on the petitioner constitutes an ex parte presentation and shall not be considered in the proceeding. Any reply comment which has not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an ex parte presentation and shall not be considered in the proceeding.

(b) With respect to petitions for rule making which conflict with the proposals in this Notice, they will be considered as comments in the proceeding, and Public Notice to this effect will be given as long as they are filed before the date for filing initial comments herein. If they are filed later than that, they will not be considered in connection with the decision in this docket.

(c) The filing of a counterproposal may lead the Commission to allot a different channel than was requested for any of the communities involved.

4. Comments and Reply Comments; Service.
