NOTICE OF PROPOSED RULEMAKING

Adopted: July 23, 2003

Released: July 25, 2003

Comment Date: September 15, 2003

Reply Comment Date: September 30, 2003

By the Assistant Chief, Audio Division:

1. The Audio Division has before it a Petition for Rule Making filed by Daniel R. Feely (“Petitioner”), proposing the allotment of Channel 286C2 at Ehrenberg, Arizona, as the community’s first local aural transmission service. Petitioner has stated that he will file an application to operate a FM station at Ehrenberg, if the requested channel is allotted.

2. In support of the proposal, Petitioner states that Ehrenberg is a Census Designated Place (“CDP”) located in La Paz County in Western Arizona along Interstate Highway 10 at the border of Arizona and California. Ehrenberg is an incorporated community with a 2000 U.S. Census population of 1,357 persons. A U.S. Census designation of an area as a CDP raises the presumption that an area is a “community” for allotment purposes, that presumption is rebuttable.¹ Petitioner must submit additional information demonstrating that Ehrenberg is a “community” for allotment purposes. Community status may be proven by the testimony of local residents or by objective or subjective evidence indicating the existence of a community. Some examples of objective indications of community status include the existence of political, social, economic, commercial, cultural, public service, or religious organizations and services in the community.²

3. The proposal warrants consideration since it could provide the first local aural transmission service to the community of Ehrenberg. A staff engineering analysis indicates that Channel 286C2 can be allotted to Ehrenberg, consistent with the minimum distance separation requirements of the Commission’s Rules, provided there is a site restriction 28.8 kilometers (17.9 miles) northeast to avoid short-spacing to the license sites of Station KBUX, Channel 232A, Quartzsite, Arizona and Mexican Station XHMC-FM,

Channel 285B, Mexicali, BN.³ Since Ehrenberg is located within 320 kilometers (199 miles) of the U.S.-Mexican border, Mexican concurrence has been requested.

4. Accordingly, we seek comment on the proposed amendment of the FM Table of Allotments, Section 73.202(b) of the Commission's Rules, with respect to Ehrenberg, Arizona.
