**PLEADING CYCLE ESTABLISHED FOR COMMENTS ON  
PROCEEDING REGARDING THE DEFINITION OF THE RURAL SERVICE AREAS OF TWO  
RURAL TELEPHONE COMPANIES IN THE STATE OF COLORADO**

**CC Docket No. 96-45**

**Release Date: January 7, 2003**

**Comment Date: February 6, 2003**

**Reply Comment Date: February 21, 2003**

This public notice establishes a consolidated proceeding regarding the redefinition of the rural service areas of the following rural telephone companies in the state of Colorado and establishes a pleading cycle:

(1) CenturyTel of Eagle, Inc. The Colorado Public Utilities Commission (Colorado Commission) filed a petition seeking approval of the Colorado Commission's proposal to define each individual wire center of CenturyTel of Eagle, Inc. (CenturyTel) as a separate service area in the state of Colorado.<sup>1</sup> The Wireline Competition Bureau (Bureau) released a public notice seeking comment on the Colorado Commission CenturyTel Petition.<sup>2</sup> The definition of CenturyTel's rural service area as proposed by the Colorado Commission was deemed approved by the Commission as of November 26, 2002 and will go into effect in accordance with the Colorado Commission's procedures.<sup>3</sup> On December 17, 2002, CenturyTel filed an application for review of the Bureau's approval of the Colorado Commission's redefinition of CenturyTel's service area.<sup>4</sup> In an *ex parte* letter filed on December 30, 2002, CenturyTel also requested that the Commission suspend the Bureau's decision to let the Colorado Commission's

<sup>2</sup> See *The Colorado Public Utilities Commission Petitions to Redefine the Service Area of CenturyTel of Eagle, Inc. in the State of Colorado*, Public Notice, CC Docket No. 96-45, DA 02-2087 (rel. Aug. 26, 2002) (Public Notice).

<sup>3</sup> See 47 C.F.R. § 54.207(c)(3)(ii). The Bureau did not initiate a proceeding on the Colorado Commission CenturyTel Petition within 90 days of the release of the Public Notice.

redefinition of CenturyTel's service area take effect.<sup>5</sup>

(2) Delta County Tele-Comm, Inc. On December 24, 2002, the Bureau initiated a proceeding to consider the Colorado Commission's petition seeking approval of its proposal to redefine the rural service area served by Delta County Tele-Comm, Inc. (Delta County) within Colorado.<sup>6</sup> The Colorado Commission proposes to define each individual wire center of Delta County as a separate service area.<sup>7</sup> Because the Bureau initiated a proceeding within 90 days of the release of a public notice on the Colorado Commission Delta County Petition,<sup>8</sup> the redefinition of Delta County's service area will not take effect until both the Colorado Commission and the Commission agree upon the definition of Delta County's rural service area.<sup>9</sup>

Because they will likely raise similar factual, legal and/or policy issues, the aforementioned matters will be addressed in the same proceeding. Comments are sought on the CenturyTel Application for Review and the Colorado Commission Delta County Petition. Additionally, comments are sought on the CenturyTel *ex parte* request that the Commission suspend the decision of the Bureau to let the redefinition of CenturyTel's rural service area take effect.<sup>10</sup> Parties that have already filed oppositions to the CenturyTel Application for Review or comments on the Colorado Commission Delta County Petition may, but are not required to, resubmit their oppositions/comments.

Pursuant to Sections 1.415 and 1.419 of the Commission's rules, 47 C.F.R. §§ 1.415, 1.419, interested parties may file comments on or before **February 6, 2003**, and reply comments on or before **February 21, 2002**. Comments may be filed using the Commission's Electronic Comment Filing System (ECFS) or by filing paper copies.<sup>11</sup>

Comments filed through the ECFS can be sent as an electronic file via the Internet to <<http://www.fcc.gov/e-file/ecfs.html>>. Generally, only one copy of an electronic submission must be filed. If multiple docket or rulemaking numbers appear in the caption of this proceeding, however, commenters must transmit one electronic copy of the comments to each docket or rulemaking number referenced in the caption. In completing the transmittal screen, commenters should include their full
