NOTICE OF PROPOSED RULE MAKING

Adopted: September 23, 2003

Released: October 1, 2003

Comment Date: November 24, 2003
Reply Comment Date: December 10, 2003

By the Chief, Video Division:

1. The Commission has before it a petition for rule making filed by Smith Television of New York License Holdings, Inc. (“Smith TV”), licensee of station WETM-TV, Elmira, New York. Smith TV requests the substitution of DTV channel 33 for station WETM-TV’s assigned DTV channel 2.
2. Smith TV states that by operating on a UHF channel it would avoid potential technical problems that may arise with the use of a lower VHF channel. Smith TV further contends that adoption of its channel change will permit WETM-DT to operate at the same authorized antenna site but with an effective radiated power of 525 kW, rather than the 7.47 kW specified in the WETM-DT construction permit. Thus, Smith TV concludes, the public interest would be served through enhanced service and more efficient use of the broadcast spectrum
3. We believe Smith TV's proposal warrants consideration. DTV Channel 33 can be substituted for DTV Channel 2 at Elmira, New York, as proposed, in compliance with the principle community coverage requirements of Section 73.625(a) at coordinates 42-06-22 N. and 76-52-17 W. In addition, we find that this channel change is acceptable under the 2 percent criterion for de minimis impact that is applied in evaluating requests for modification of initial DTV allotments under Section 73.623(c)(2). However, since the community of Elmira is located within 400 kilometers of the U.S.-Canadian border, concurrence from the Canadian government must be obtained for this allotment. We propose to substitute DTV Channel 33 for DTV Channel 2 for station WETM-DT at Elmira with the following specifications:

State & City	DTV Channel	DTV power (kW)	Antenna HAAT (m)
NY Elmira	33	525	363

4. Accordingly, we seek comments on the proposed amendment of the DTV Table of Allotments, Section 73.622(b) of the Commission's Rules, for the community listed below, to read as follows:

<u>City</u>	<u>Channel No.</u>	
	<u>Present</u>	<u>Proposed</u>
Elmira, New York	2, 55	33, 55

5. The Commission's authority to institute rule-making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

6. Interested parties may file comments on or before November 24, 2003, and reply comments on or before December 10, 2003, and are advised to read the Appendix for the proper procedures. Comments should be filed with the Secretary, Federal Communications Commission, Washington, D.C. 20554. Additionally, a copy of such comments should be served on the petitioner, or its counsel or consultant, as follows:

Brad C. Deutsch

 555 13th Street, NW
 Washington, DC 20004-1109
 (Counsel for Smith Television of New York License Holdings, Inc.)

7. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to rule making proceedings to amend the TV Table of Allotments, Section 73.606(b) and 73.622(b) of the Commission's Rules. See Certification That Sections 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202(b), 73.504 and 73.606(b) of the Commission's Rules, 46 FR 11549, February 9, 1981. The Regulatory Flexibility Act of 1980 would also not apply to rule making proceedings to amend the DTV Table of Allotments, Section 73.622(b) of the Commission's Rules.

8. For further information concerning this proceeding, contact Pam Blumenthal, Media Bureau, (202) 418-1600. For purposes of this restricted notice and comment rule making proceeding, members of the public are advised that no ex parte presentations are permitted from the time the Commission adopts a Notice of Proposed Rule Making until the proceeding has been

decided and such decision is no longer subject to reconsideration by the Commission or review by any court. An ex parte presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or a summary of any new oral information shall be served by the person making the presentation upon the other parties to the proceeding unless the Commission specifically waives this service requirement. Any comment which has not been served on the petitioner constitutes an ex parte presentation and shall not be considered in the proceeding. Any reply comment which has not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an ex parte presentation and shall not be considered in the proceeding.
