NOTICE OF PROPOSED RULEMAKING

Adopted: April 2, 2003

Released: April 4, 2003

Comment Date: May 27, 2003

Reply Comment Date: June 10, 2003

By the Assistant Chief, Audio Division:

1. The Audio Division has before it a Petition for Rule Making filed by George S. Kalman (“Petitioner”), proposing the allotment of Channel 291A at Okeechobee, Florida, as the community’s first FM commercial service.¹ Petitioner has stated that he will file an application to operate a FM station at Okeechobee, if the requested channel is allotted.

2. The proposal warrants consideration since it could provide a first FM commercial service to the community of Okeechobee, Florida. In support of the proposal, Petitioner states that Okeechobee is located in Okeechobee County, with a 2000 U.S. Census population of 5,375 persons. Okeechobee has its own city government, police department, fire department, school system, and chamber of commerce. A staff engineering analysis indicates that Channel 291A can be allotted to Okeechobee, consistent with the minimum distance separation requirements of the Commission’s Rules, provided there is a site restriction 13 kilometers (8.1 miles) northwest of the community.²

3. In compliance with § 1.52 of the Commission’s rules, Petitioner is requested to include with its comments verification that the statements contained in the petition are accurate to the best of its knowledge. Although the Petitioner’s request was signed, it failed to include an affidavit verifying that the statements contained in the petition were accurate to the best of its knowledge. Section 1.52 of the Commission’s Rules require that the original of any document filed with the Commission by a party not represented by counsel be signed and verified by the party and his/her address stated. In the absence of such verification, the petition may be dismissed. Section 1.401(b) of the Commission’s Rules concerning rule making proceedings places petitioners on notice that their proposal must conform with the requirements of Section

¹ Station WOKC(AM) and noncommercial Channel 208A is currently assigned to Okeechobee.

² The reference coordinates for Channel 291A at Okeechobee are 27-20-30 North Latitude and 80-54-08 West Longitude.

1.52 regarding subscription and verification.³ The Petitioner is requested to rectify this omission in its comments.

4. Accordingly, we seek comment on the proposed amendment of the FM Table of Allotments, Section 73.202(b) of the Commission's Rules, with respect to Okeechobee, Florida.

APPENDIX

1. Pursuant to authority found in Sections 4(i), 5(c)(1), 303(g) and (r), and 307(b) of the Communications Act of 1934, as amended, and Sections 0.61, 0.204(b) and 0.283 of the Commission's Rules, IT IS PROPOSED TO AMEND the FM Table of Allotments, Section 73.202(b) of the Commission's Rules and Regulations, as set forth in the *Notice of Proposed Rule Making* to which this Appendix is attached.

2. Showings Required. Comments are invited on the proposal(s) discussed in the *Notice of Proposed Rule Making* to which this Appendix is attached. Proponent(s) will be expected to answer whatever questions are presented in initial comments. The proponent of a proposed allotment is also expected to file comments even if it only resubmits or incorporates by reference its former pleadings. It should also restate its present intention to apply for the channel if it is allotted and, if authorized, to build a station promptly. Failure to file may lead to denial of the request.

3. Cut-off protection. The following procedures will govern the consideration of filings in this proceeding.

(a) Counterproposals advanced in this proceeding itself will be considered, if advanced in initial comments, so that parties may comment on them in reply comments. They will not be considered if advanced in reply comments. (*See* Section 1.420(d) of the Commission's Rules).

(b) With respect to petitions for rule making which conflict with the proposals in this *Notice*, they will be considered as comments in the proceeding, and Public Notice to this effect will be given as long as they are filed before the date for filing initial comments herein. If they are filed later than that, they will not be considered in connection with the decision in this docket.

(c) The filing of a counterproposal may lead the Commission to allot a different channel than was requested for any of the communities involved.

4. Comments and Reply Comments; Service. Pursuant to applicable procedures set out in Sections 1.415 and 1.420 of the Commission's Rules and Regulations, interested parties may file comments and reply comments on or before the dates set forth in the *Notice of Proposed Rule Making* to which this Appendix is attached. All submissions by parties to this proceeding or by persons acting on behalf of such parties must be made in written comments, reply comments, or other appropriate pleadings. Comments shall be served on the petitioner by the person filing the comments. Reply comments shall be served on the person(s) who filed comments to which the reply is directed. Such comments and reply comments shall be accompanied by a certificate of service. (*See* Section 1.420(a), (b) and (c) of the Commission's Rules.) Comments should be filed with the Office of the Secretary, Federal Communications Commission, 445 12th Street, S.W., TW-A325, Washington, D.C. 20554.
