NOTICE OF PROPOSED RULE MAKING

Adopted: May 13, 2004

Released: May 24, 2004

Comment Date: July 15, 2004

Reply Comment Date: July 30, 2004

By the Chief, Video Division:

1. The Commission has before it a petition for rule making filed by Glendive Broadcasting Corporation (“Glendive”), licensee of station KXGN-TV, NTSC channel 5, Glendive, Montana. Glendive requests the substitution of DTV channel 10 for station KXGN-TV’s paired DTV channel 15.¹ Glendive states that the adoption of its proposal will enable station KXGN-DT to reduce its costs and improve its service.

2. We believe Glendive's proposal warrants consideration. DTV channel 10 can be substituted for DTV channel 15 at Glendive, Montana, as proposed, in compliance with the principle community coverage requirements of Section 73.625(a) at coordinates 47-03-15 N. and 104-40-45 W. In addition, we find that this channel change is acceptable under the 2 percent criterion for de minimis impact that is applied in evaluating requests for modification of initial DTV allotments under Section 73.623(c)(2). Since the community of Glendive is located within 400 kilometers of the U.S.-Canadian border, concurrence from the Canadian government was obtained for this allotment. We propose to substitute DTV Channel 10 for DTV Channel 15 for station KXGN-DT at

¹ Although petitioner’s request indicates that the original copy of his proposal was signed, petitioner failed to include an affidavit verifying that the statements contained in his petition were accurate to the best of his knowledge. Section 1.52 of the Commission’s rules requires that the original of any document filed with the Commission by a party not represented by counsel must be signed and verified by the party and his/her address stated. In the absence of such verification, the petition may be dismissed. Section 1.401(b) of the Commission’s rules concerning rule-making proceedings places petitioners on notice that their proposal must conform to the requirements of Section 1.52 regarding subscription and verification. See also Amendment of Section 1.420 and 73.3584 of the Commission’s Rules Concerning Abuses of the Commission’s Processes, 5 FCC Rcd 3911, n.41 (1990). Petitioner is requested to rectify this omission in his comments.

Glendive with the following specifications:

5. The Commission's authority to institute rule-making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

6. Interested parties may file comments on or before July 15, 2004, and reply comments on or before July 30, 2004, and are advised to read the Appendix for the proper procedures. 7. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to rule making proceedings to amend the TV Table of Allotments, Section 73.606(b) and 73.622(b) of the Commission's Rules. See Certification That Sections 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202(b), 73.504 and 73.606(b) of the Commission's Rules, 46 FR 11549, February 9, 1981. The Regulatory Flexibility Act of 1980 would also not apply to rule making proceedings to amend the DTV Table of Allotments, Section 73.622(b) of the Commission's Rules.

8. For further information concerning this proceeding, contact Pam Blumenthal, Media Bureau, (202) 418-1600. For purposes of this restricted notice and comment rule making

proceeding, members of the public are advised that no ex parte presentations are permitted from the time the Commission adopts a Notice of Proposed Rule Making until the proceeding has been decided and such decision is no longer subject to reconsideration by the Commission or review by any court. An ex parte presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or a summary of any new oral information shall be served by the person making the presentation upon the other parties to the proceeding unless the Commission specifically waives this service requirement. Any comment which has not been served on the petitioner constitutes an ex parte presentation and shall not be considered in the proceeding. Any reply comment which has not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an ex parte presentation and shall not be considered in the proceeding.

APPENDIX

1. Pursuant to authority found in Sections 4(i), 5(c)(1), 303(g) and (r), and 307(b) of the Communications Act of 1934, as amended, and Sections 0.61, 0.204(b) and 0.283 of the Commission's Rules, IT IS PROPOSED TO AMEND the DTV Table of Allotments, Section 73.622(b) of the Commission's Rules and Regulations, as set forth in the Notice of Proposed Rule Making to which this Appendix is attached.

2. Showings Required. Comments are invited on the proposal(s) discussed in the Notice of Proposed Rule Making to which this Appendix is attached. Proponent(s) will be expected to answer whatever questions are presented in initial comments. The proponent of a proposed allotment is also expected to file comments even if it only resubmits or incorporates by reference its former pleadings. It should also restate its present intention to apply for the channel if it is allotted and, if authorized, to build a station promptly. Failure to file may lead to denial of the request.

3. Cut-off protection. The following procedures will govern the consideration of filings in this proceeding.

(a) Counterproposals advanced in this proceeding itself will be considered, if advanced in initial comments, so that parties may comment on them in reply comments. They will not be considered if advanced in reply comments. (See Section 1.420(d) of the Commission's Rules).

(b) With respect to petitions for rule making which conflict with the proposals in this Notice, they will be considered as comments in the proceeding, and Public Notice to this effect will be given as long as they are filed before the date for filing initial comments herein. If they are filed later than that, they will not be considered in connection with the decision in this docket.

(c) The filing of a counterproposal may lead the Commission to allot a different channel than was requested for any of the communities involved.

4. Comments and Reply Comments; Service. Pursuant to applicable procedures set out in Sections 1.415 and 1.420 of the Commission's Rules and Regulations, interested parties may file comments and reply comments on or before the dates set forth in the Notice of Proposed Rule Making to which this Appendix is attached. Comments shall be served on the petitioner by the person filing the comments. Reply comments shall be served on the person(s) who filed comments to which the reply is directed. Such comments and reply comments shall be accompanied by a certificate of service. (See Section 1.420(a), (b) and (c) of the Commission's Rules.).
