**ORDER**

**Adopted: February 5, 2004**

**Released: February 6, 2004**

By the Telecommunications Access Policy Division, Wireline Competition Bureau:

1. The Telecommunications Access Policy Division has under consideration a Request for Waiver filed by Meade County Public Library, Brandenburg, Kentucky (Meade).<sup>1</sup> Meade requests review of a decision by the Schools and Libraries Division (SLD) of the Universal Service Administrative Company (Administrator).<sup>2</sup> For the reasons set forth below, we deny the Waiver Request.

2. In its decision, SLD determined that Meade's application had been filed after the close of the January 17, 2002 FCC Form 471 filing window.<sup>3</sup> Meade requests a waiver of the Commission's rules because of changes in personnel that occurred prior to the filing of the application.<sup>4</sup> Meade also argues that this denial has had a detrimental impact on the service it provides to its patrons.<sup>5</sup>

<sup>1</sup> Letter from James Mitchell, Meade County Public Library, to Federal Communications Commission, filed December 10, 2002 (Waiver Request). Section 54.719(c) of the Commission's rules provides that any person aggrieved by an action taken by a division of the Universal Service Administrative Company (Administrator) may seek review from the Commission. 47 C.F.R. 54.719(c).

<sup>3</sup> Postcard from Schools and Libraries Division, Universal Service Administrative Company, to James Mitchell, 400 Library Place, dated November 22, 2002. The record shows that Meade's Block 6 Certification Page was postmarked on January 18, 2002.

<sup>4</sup> *See* Waiver Request.

3. We find that a waiver is not appropriate. A waiver from the Commission is appropriate if special circumstances warrant a deviation from the general rule and such deviation would better serve the public interest than strict adherence to the general rule.<sup>6</sup> Applicant's assertion that changes in staff contributed to the filing of the application out of window is not a special circumstance warranting a waiver of the filing window.<sup>7</sup> We have consistently held that it is the applicant who has responsibility ultimately for the timely submission of the application.<sup>8</sup> Moreover, Meade's assertion that denial of its application may have a detrimental impact on the service it provides to its patrons does not create the special circumstances or particular facts that warrant a waiver of the Commission's rules.<sup>9</sup> Therefore, we deny the Waiver Request.
