NON STREAMLINED INTERNATIONAL APPLICATIONS ACCEPTED FOR FILING

Section 214 Applications (47 C.F.R. § 63.18); Cable Landing License Applications (47 C.F.R. § 1.767); Authorize Switched Services over Private Lines (47 C.F.R. § 63.16) and Section 310(b)(4)

Unless otherwise specified, the following procedures apply to the applications listed below:

The applications listed below have been found, upon initial review, to be acceptable for filing. These applications are not subject to the streamlined processing procedures set forth in Section 63.12 of the Commission's rules, 47 C.F.R. § 63.12. These applications shall not be deemed granted until the Commission affirmatively acts upon the application, either by public notice or by written order. Operation for which authorization is sought may not commence except in accordance with any terms or conditions imposed by the Commission.

Unless otherwise specified, interested parties may file comments with respect to these applications within 28 days of the date of this public notice. We request that such comments refer to the application file number shown below. Ex parte communications between outside parties and Commission staff concerning these applications are permitted subject to the Commission's rules for "permit-but-disclose proceedings." See 47 C.F.R. § 1.1206.

Copies of all applications listed here are available for public inspection in the FCC Office of Public Affairs Reference and Information Center, located in room CY-A257 at the Portals 2 building, 445 12th Street SW, Washington DC 20554. The center can be contacted at (202) 418-0270. All applications listed are subject to further consideration and review, and may be returned and/or dismissed if not found to be in accordance with the Commission's rules, regulations, and other requirements.
