**FROM:** 360americas (USA) Corp.

**TO:** Brasil Telecom of America Inc.

Application for consent to the assignment of cable landing licenses held by 360americas (USA) Corp. for the 360americas cable system to Brasil Telecom of America Inc. These cable landing licenses were originally issued for two separate cable systems: the BUS-I cable system (File No. SCL-LIC-19961026-00001) and the Atlantica-1 cable system (File No. SCL-LIC-19990602-00010) that today comprise the 360americas cable system. Brasil Telecom of America Inc., the assignee, is indirectly wholly owned by Brasil Telecom S.A., the principal provider of fixed-line telecommunications service within its local exchange service territory in Brazil. Applicants agree that, upon consummation of the proposed assignment, and until such time as the Commission may remove Brasil Telecom from the Commission's "List of Foreign Carriers Presumed to Possess Market Power in Foreign Telecommunications Markets," they will accept and abide by the reporting requirements set out in section 1.767(l) of the rules on the U.S.-Brazil route. Interested persons may file comments on the above-referenced application to assign cable landing licenses no later than March 12, 2003. Replies may be filed no later than March 19, 2003. For further information, contact Imani Ellis-Cheek or Susan O'Connell at 202-418-1460.
