**ERRATUM**

**Released: June 11, 2003**

By the Deputy Chief, Telecommunications Access Policy Division, Wireline Competition Bureau:

On June 6, 2003, the Wireline Competition Bureau released a Public Notice in CC Docket No. 96-45 (DA 03-1909) announcing the proposed third quarter 2003 universal service contribution factor. This erratum replaces the word “unadjusted” with “proposed” immediately after the first parenthesis in footnote 11. Accordingly, footnote 11 should read as follows:

"USAC will calculate each individual contributor's contribution in the following manner: (proposed contribution factor \* contributor's projected collected revenues) – (proposed circularity discount factor \* proposed contribution factor \* contributor's proposed collected revenues)."
