**ERRATUM**

**Adopted: October 2, 2003**

**Released: October 2, 2003**

By the Chief, Satellite Policy Branch, Satellite Division:

1. This *Erratum* corrects the *Order and Authorization* in the above captioned proceeding which was released on October 1, 2003.
2. Paragraph 20 incorrectly states the date that the Special Temporary Authority is set to expire. We note the clerical error and correct it by substituting “April 5, 2004” in place of “April 2, 2004” in the ordering clause at paragraph 20 of the *Order and Authorization*.
3. This correction has been made prior to publication in the FCC Record, and thus will be incorporated into the published document.
