MEMORANDUM OPINION AND ORDER

Adopted: February 26, 2002

Released: February 28, 2002

By the Commission:

1. The Commission has before it an Application for Review filed by Hispanic Information and Telecommunications Network, Inc. (HITN), and an opposition thereto filed by Caribbean University. These pleadings related to the April 27, 1999 letter decision by the Video Services Division, Mass Media Bureau, denying HITN's petition for reconsideration of the grant of Caribbean University's application for a new Instructional Television Fixed Service (ITFS) station on the C channel group at Jardines de Ponce, Puerto Rico.

2. We have reviewed the parties' filings, as well as the Division's denial of HITN's petition for reconsideration, and find that its ruling was correct. We also reaffirm the Division's conclusion that Caribbean University's application complied with all applicable ITFS interference protection requirements of our rules.

3. Accordingly, IT IS ORDERED, That the Application for Review filed by Hispanic Information and Telecommunications Network, Inc. IS DENIED.
