

**CONCURRING STATEMENT OF  
COMMISSIONER KEVIN J. MARTIN,**

*Re: Infinity Broadcasting Operations, Inc., Licensee of Station WKRK(FM), Detroit, MI,  
Notice of Apparent Liability for Forfeiture*

This Order emphasizes the importance of the Commissioner responding to complaints in a more timely fashion. This is the same licensee that we have previously fined for “egregious” indecency violations and warned against future violations.<sup>1</sup> This broadcast, however, actually pre-dates the broadcast that incurred those warnings.
